

# Water/Wastewater

Learn how to select, specify and operate pumps and components to improve performance in water and wastewater plants.

6 Webinars (16+ hours)  
3 Guidebooks  
2 Standards Books

**\$1,445** Total Cost

-  **Water Treatment Plant Pumps 3-Part Series**  
\$134
-  **Pump Vibration Single Session (W1)**  
\$59

---

-  **Wastewater Treatment Plant Pumps 3-Part Series (W12)**  
\$134

---

-  **Advanced Dynamics of Pumping Machinery 4-Part Series (W14)**  
\$149

---

-  **Pump Piping 2-Part Series (W3)**  
\$99

---

-  **Variable Speed Pumping 4-Part Series (W15)**  
\$149

---

-  **Wastewater Treatment Plant Pumps: Guidelines for Selection, Application, and Operation (G8)**  
\$175

---

-  **Water Treatment Plant Pumps: Guidelines for Selection, Application, and Operation (G9)**  
\$150

---

-  **Variable Speed Pumping: Application Guidelines (G10)**  
\$166

---

-  **Rotodynamic Pumps for Pump Piping (S23)**  
\$130

---

-  **Rotodynamic Submersible Pump Tests (S30)**  
\$100

---
